Really? That I didn't know... why she is acting so immature? This behavior doesn't get her anyways. I think she is still hurt cause she really likes you (like a boyfriend). She keeps telling me that you are the only one who really broke her heart and that you are the only one that she ever loved ecc. So I think she is stupid to act this way, really stupid, but from my side I think she need help cause she has no one. I understand the message is super nasty but I think she did it cause she is still in love with you.
