ask [REDACTED] to explain

On Thu, Jul 21, 2011 at 10:33 AM, Richard Kahn <[REDACTED]> wrote:

I received an invoice from PC Paradise regarding computer equipment that [REDACTED] purchased on July 1st and July 5th

Upon receipt I asked if it was priced and he said yes but no one ships to STT which i find hard to believe

I asked for his pricing backup which i still have not received

Equipment could have been put on plane or shipped via Emad

In addition after having Murphy price out this equipment he told me that we have an extra Cisco switch in HBRK office that they could have used.

Prices per PC Paradise

Cisco 8 port switch \$650

Cisco 48 port switch \$7,700

Apple TV (3 @ 155) \$465

Total PC Paradise Cost \$8,815

Prices per CDW

Cisco 8 port switch \$510

Cisco 48 port switch \$6,675

Apple TV (3 @ 100) \$300

Total CDW Cost \$7,485 or

Cost with using HBRK switch and buying from CDW \$810

This lack of pricing / communication cost you an additional **\$1,330 or \$8,005** without buying switch which is costing you money and infuriating me.

Rich

yes it was priced, but CDW do not ship here, so it would of had to go to tropical.
please note this is the switch for the main compound that delivers data and phone so it was ordered though
PC paradise 2 day delivery.
hope this clarifies your concerns.
Would like to have a spare, but since we can not hold inventory our hands are tied
