The Boeing's maintenance will be completed and ready to Fly August 2nd next week, plan is to bring Boeing to Palm Beach,
Don Bass will set up photo session for new marketing adds on Boeing..
I will notify Sean we are giving B727 Exclusive to Don Bass,.

Darren please give thoughts and corrections on Contract, Don is requesting 5% commission, and he pays for all advertising,.

Sean at Bristol has submitted expenses for Boeing advertising totaling: \$16,957.79
and advertising expense for the first Sikorsky S76 c++ that George sold to Learner totaling, \$13,957.79
I do not think we are responsible for advertising expense on Sikorsky sale, Please advise if you wish to pay any portion of
