ric cortes said that we should consdier using grass that takes less water and can handle more draught.. he thought bermuda looks good he thought we should ask the help of a pr landscaper. I agree.. GARY ,, please send me a plan of the back area with the sea wall marked properly.. We might need a circle on the east end as well. OMAR should do the circlce.. maybe in the shape of a nautilus.. the center of the circle might need something, tree , fountain, etc.. sarah is sending some photos of how to handel the norht side of the main pool shelter.. its windows that are hinged in the middle. they can be lucite.
