Went to Bryan's office and met with all the office girls who keep the books.

It all looks very organized.

I am now going to approve all expenses and get copies of all billing.

I will get reports on money coming in and going out. I will get reports on all financial activity with Peggy Siegal Company and my personal monies.

Bryan takes 40% of profit after expenses. He has grown the company and it is growing. Is that a lot to pay himself?

He says he made the deal (verbally) from the beginning- 3 and a half years ago.

I have no legal papers with him...and do not "own" a company.

I am going to see Michael Rubinstein, the accountant for Phillip Michaels, the lawyer on Monday in his office.

Jean Douman is going to be the executor of my will. I have known her for 35 years. She goes out with Jackie Safra for 35 years. She is very solid.

I asked my mother's accountant, Sy Bressler to send record of all checks written on my mother's estate. He told me to ask my brother. He has the checkbook. I asked the lawyer 3 times how to handle this and he has not responded. If I just send an email to brother, I assume he will ignore. What is he is helping himself and or making idiot decisions like not selling the house...

xoxo Peg
