Because sam knows nothing- we are teaching him the very basic of se/special events- then because he might want to run a guy nite- which he knows nothing about the bar/nite life business /we are teaching him what the basic items are of promoting a nite in a club. Teaching him this so he can think about what he wants to do- as he has no idea what he wants to do- is the kick back from sam /that he has to see the very basic structure of operations ?
