\$27,428.99 MSI invoice

The substantial portion of the Msi invoice is the material for the shelter \$9,524, which came up on the July 20 visit and the materials were bought the 28th, not going thru the stateside time process.

\$8,430 is the cabinets for the pool cabana.

the balance is for materials that we consume daily as in the past, mortar mix being a big part for all the walls being built and is got as needed due to it being lost to moisture if we over purchase.

I have not run local purchases thru Emad in the past. If you want to impose a \$5,000 limit then I will have to run all purchases and contracts thru him daily, he will then run them all past you as we have no approved budgets for most of the work currently going on
