I would like to let you know that Nick seems to be part of a network that was created "to protect" Noam. He was hired to clarify the situation, and his reports are full of mistakes, one of the so-called "mistake", after I pointed out the error, was to carry the amount that Noam had transferred to me in the previous year to the following year, adding the two years and presenting, of course, a wrong result. Another one was adding an extra zero to the amount of \$7,000 that Noam transferred to me, making it \$70,000 (I will send you the e-mail where Nick recognizes the "mistake" in the sequence).

Valeria

As we discussed, you plan to send me copies of the estate planning documents you have, any emails, and make email introductions to various individuals you'd like me to contact for additional information. My assistant, Denise Bennett, will prepare an engagement letter for estate planning, and we will look for a date in mid to late January for me to visit with you in Tucson. Best regards, Shari
