Jeffrey,

I will get a firm price at West Marine tomorrow,. looks like we only need:

-Structure Scan Module \$399.00,

-Thru Hull Transducer \$528.00

I need to see if the Garmin is capable of displaying the image, or if we'll need a different display, or MFD (mulit function display), I think the Garmin is capable of being used as display,.

more info tomorrow,

thanks,

Larry
