Yes Jeffrey, I called your home number 3 times, nobody answered. I called it, because I didnt read the message of yours, I told u, I didnt know about the meeting, and Im so dissappointed I missed it! This obstacles just drive me crazy! omg.
if u only knew what Im feeling here and for WHAT?
I cant see the answer, I need it...
Seems like useless life, too depressive I know.

I want to talk with you tomorrow after 5 (or any time you have), I appreciate your time and patiense and willness. Thank you Jeffrey, I wish I could ever give back all those help and kindness you bring to me, I wish and I cant do even the little of it, even to be with you when we both want it. My dad doesnt understand a word, and doesnt care about anything but the fact that I didnt lie to him, and somebody really waited for me, not a boyfriend from US. (one more time stupid) and I already knew that he is afraid Im gonna sign some model stuff he heard about from neighbours. excuse me WHAT A FUCK???? where people take those things??? if I wanted to be a model, I had a lot of chances to be!

akh...

I want to have a deep conversation with you tomorrow at 5 and come to your place the day after tomorrow as early as possible, I want to spend my day JUST WITH you as much AS YOU CAN and will have time and opportunity!

I will check an email before the sleep, hope we'll figure out it.
if something will change, I just recognized that I can ONLY receive but still.. messages on my uzbek number, inbox roaming is working. I cant answer, but I can go answer here or call when I receive. message me pls
