I have gone thru the invoices again and I believe that the "not to exceed" was in fact exceeded by approximately \$20,000-
- not the figure stated below.
I am willing to go line by line with richard again.
Please advise if you want to do this and if so, when available.

Jeffrey,

Lilly and I just spent 45 minutes reviewing all outstanding invoices post July 5th for all matters.
On the July & August 2011 invoices for matter 80743 we went line by line with my codings regarding the
over billing on the amended claim.
The amount that I thought was over billed of 54,255 was incorrect as the revised amount that Lilly agrees
with is 39,993.75.
I was very disappointed with the accuracy of their billing.

I have attached a revised post July 5th outstanding balance reflecting the 100,000 paid this morning which
shows 54,177.74 due on all post July 5th matters.

Lilly mentioned that time from September 1 - September 15 still needs to be billed for matters relating to punitive damages, summary judgement and motion to dismiss.

Thank you
