Good Day Rich

My apologies, but I was on LSJ getting the Flagpole Pool internet back online since Hugo date changed to tomorrow and Mr. Thomas will not be available on Friday.

Below is the list of items that I am requesting. All were found on Amazon.com

. I included 3 items for fiber repair, as per our discussion. I know the theory behind repairing the fiber, and I am sure with practice I would be able to handle the repairs.

REgards
Juan
