Yuri Milner should see Li Bo Tan, the son-in law of the Speaker of the Chinese Congress (No. 3 after President and Premier).

He is a friend of mine, very wealthy, very powerful.

I discussed this issue with him and he is in theory able to raise Chinese capital for the social media fund.

It is a difficult case but this guy is the right person to try this.

Li Bo Tan is also the guy invited be Deripraska a while back when I sent you their schedule.
