You do not yet have standing - your request for limited intervention has not yet been allowed - if it is its narrow not unlimited - to defend FRE 410 - and then we could probably frame some discovery requests but do not want to back into an unlimited intervention making you open to the kind of discovery demands he made on govt -

I'd think best strategy is to prepare - and to file WHEN Edwards makes his predictable demands on you or your attys (which he clearly would even if its only we not you that get to intervene) but any proactive filing would risk being seen by J Marra as a door opener to his seeking discovery from you  
Good thinking, however, and Roy, you, me, Jay should give it further thought
