I'd be waiting to hear about the dates.
I sense that they all liked you a lot but

1. need news events about you (like new project funded or so etc). We should talk more to invent it
2. I sensed many of them we scared to write about you during this stupid anti-harassment campaign we talked about. simply afraid to be judged by society writing about you.

I'll get some closest reporter friends like Jesse to write, one by one. with less close journalists it requires some time to gain their trust and convince them to take risk.

I'm doing anyways. It just takes longer

Would you be in New York anytime by the end of the year? He wants to write a larger material and in person would be better for that. He's in San Francisco and would fly to meet you
