Hi [REDACTED],

I'm back in New York and will be in town all month with the exception of November 11-16 and 24-25.

Does Mr. Epstein have any availability an afternoon later this month?

Thanks for bearing with me on this, I appreciate it!

Best,

Chris

Hello...

Mr. Jeffrey Epstein is asking if you might be available to come and see him tomorrow at his home in NY city. Might you be around and have some free time?

Please let me know.

Thank you,

[REDACTED]
