> High-profile awards: In 2011 we were named one of the top 30 most innovative

> tech companies in the world by the World Economic Forum in Davos,

> Switzerland, a distinction previously awarded to Google, Twitter, and other

> companies of that caliber. This year we also won a "Stevie" from American

> Business Awards for "Best Customer Service in North America."

>

> World-class backers: We have raised over \$67 million in funding from

> prominent investors, including Bessemer Venture Partners, Kleiner Perkins

> Caufield & Byers, Floodgate, and Jafco Ventures. Our latest round of

> financing was led by August Capital, perhaps the single most prestigious

> tech-focused VC firm in existence. These are the investors that helped

> launch well-known technology companies including Skype, Intuit, Symantec,

> and Seagate.
