Jeffery,

How are you..?

Steve and the girls at the office keep asking me what I'd like to do.

I have a sense that every time you and I speak about this, we agree on some thing that they completely don't know about.

Have you spoken to Steve? Did you explain to him what we discussed last Saturday..? I didn't reply and he wants to talk after the weekend.. What should I say..? I am a bit confused and feeling like I am imposing or bothering these guys with my problem!

Let me know...

Hope you're good!

Sam

Hi Sam - Just checking in re the Gay night for Bunker and the planning to see where you are at with the promoters. Also, lets work with Andy Kelly on setting you up for a nightlife "trail" where you basically work with him and get to understand night life operations a bit for a few nights. As for events, Karin please connect with Sam on the dates of shut down or more elaborate detailed event plans so he can plan on attending set up and seeing how that aspect is coordinated.

Talk soon and have a great weekend,
Donna
