Hi Jeffrey,

Jeanne and I are working on the application. We need a bit more info from you.

1. Can you tell me some of the African, Middle East and Asian countries you plan of working with? I would like to do a short write-up on each, especially given the problems that Glacial is having I think it's important to elaborate a bit since we are including Africa.
2. We have allotted 5 spaces for professional employees - what specifically should we outline besides accountant (i.e. mathematicians)?
3. We can figure out pro forma expenses but what do you think the annual gross income from fees will be in the first year?

With warm regards,

**Cecile**
