Yes 5:00 should work well. I will send you a clean and redline of the revised term sheet for our discussion.

If you could call my cell [REDACTED] that would be great.

neale,

You and I discussed trying to close a transaction this calendar year. If that is still the goal, I think a phone call might be helpful.

If it is not then no rush as we have many other things to focus on. thx

neale.

we had a good call with Rachel and thank you for your offer..

1 as discussed the tail payments should be five years rather than three as it requires a final determination of liability AFTER appeal..

2 i think it in everyones interest to try to close this year as the foreign, inbound and outbound become more complex in 2018.

3 if we can set a call and you can suggest an interest rate on the tail payments we can discuss economics.

4 we are close and would rely on your team to put together the documents for faith and joels review.

5 millie is still there :)

thank you
