Hello Jeff, I contacted the [REDACTED] and asked them if/how we could pay for the [REDACTED]. The messages between the [REDACTED] and myself are attached below, along with the total for the [REDACTED] which is \$638 . They informed me that the money for [REDACTED] can be put into my [REDACTED] and then subtracted monthly. The way to put money into my [REDACTED] is to follow the link i previously sent you, I will resend the link again tonight incase you cant find it. Thanks for all you do! -[REDACTED]

You can pay the entire amount either by going on line and paying it through your finances tab or by calling [REDACTED]. If you do pay it online, although it only shows your monthly payment, you can pay the full amount and it will be credited to your account and the account will take out each payment as they are due. If you have any other questions or concerns, please let us know at [REDACTED]. Have a great day.

Hello! The [REDACTED] will not show up on your personal account summary, but the monthly amounts that you owe will show up. However, you can pay it all up front. The remaining amount that you owe for [REDACTED] is \$638.00.

Let us know if you have any other questions or concerns! Have a great day!

My I-Number is [REDACTED]. Will we be able to make [REDACTED] show up on my personal account summary, I already paid the first \$319, and would just like to pay the rest in a lump sum now. Thank you.
