Jeffrey,

Will you require me to stay on St thomas or airline out?

I was going to join my family if you release me, they are currently in Las Vegas celebrating Taylor's 21st birthday for the weekend attending some shows, then we'll spend xmas at Zorro,.

I'll do what ever you need of me, wasn't sure if we have some St barts heli runs this coming week,. Those flights are for me to fly, not Nicolas,.

If you know schedule at this point,. Thank you.

Larry

I have something of interest I will show you on the way to STT regarding my youngest Brooke, they did an article about her and two other students trying to attend West Point, [REDACTED] is waiting for her endorsement from Florida congressmen,. Long shot, but keeping you updated, not sure I what this for her, plus she's been offered two athletic scholarships for vollyball from private schools, on nice money offer, \$76,000 from [REDACTED] pays 50% on a four year ride,. She was selected as MVP for vollyball this year at benjamin. Wanted to share with you,.

Thx

Larry
