I did find this place that has acrylic mirror for outdoor use.

<http://www.dullesglassandmirror.com/glassless-mirrors-plexiglass.asp>

The largest panels they sell it in is 48"x96"

I sent this info to Brice and Tom Melnick. I asked them how much I would need to order for the north wall on 5 Palms, and Brice told me you changed your mind and weren't going to mirror the wall after all.

Do you now want to mirror the wall again? Should I order a sample from this company if you want to see first before placing the whole order?
