Ok thanks Richard. Please let Noam know you will not be joining the call. I will send everyone an update after. I would also be looking for a release and indemnification if I were Max but that is what the annual accounts, which Max has not provided, are supposed to do. Another anomaly here.
Happy Hanukkah! (This will be my first with my daughter away...)

sorry, deborah, no - max did not request it. but given his behavior, i thought that might be his concern, it would be mine if i were him.

Step toe is confident that noam will also get fees if he asks for them. I am ok, with you having the call with max alone. I am in europe. i think you realize the extent of strife and conflict over the horizon if theses issues are not resolved very soon. I trust you will be able to have a more open conversation with max without me. This entire month long dialogue is highly unusual for me. I would like you to take the lead in getting it resolved. If you are unable to do so. We will have to go to plan B.

Richard,

Good morning. I am happy to do as you suggest below but Noam would like you to join the call. If you think it is in Noam's best interest for you to not participate please email him, copying me. I would like to discuss strategy with you this morning if you are available especially as to your proposal relating to the indemnity and release. Is this something that Max asked for? Just curious as you alluded to that in an earlier email and I was unaware that he had requested this when you first suggested it. I will be in the car at 10:00 and again at 11:45 for about a half hour each time. Are you available at either of those times?

Best,
Deborah

deborah, , I suggest you have a one on one , come to jesus with max who respects you. I have yet to hear if noam spoke to harry , but I believe that you can try to explain in your gentle way , that time is not on his side. and I have no fear of having to take a very aggressive stance. as we discussed. if we wants and indemnity and release , i will consider it.
