GOOD NEWS NEW YEAR LETTER:

Soon 2012 will be celebrated, let's all take a moment to reflect on all the blessings that life has given us. We are what we are for each other.

Update at Good News Planet:

 [Good News Planet](#)

- **New state of the art website.** Our webmaster, [The Web Elves](#), just in time for the New Year, has created total interactivity on our site. We now have the potential to have the features of load video like You Tube, social network like Facebook, store to shop like Ebay, Pay Per View like ITUNES and more, as our audience can participate and share their content and comments and buy products. Our difference with other websites is that we have a specific "Life Affirming" and "No Negativity, i.e., Bullying..." Good News Mission. To insure that we stay true to our mission of positive content we are requesting all to take a simple [Good News Oath](#) to post audio, video and comments on Good News Planet. Please click here to register as a member. [REDACTED]. Up-Beat, not Beat- Up programs!
- **Donations and Giving.** We are starting to put donation and giving buttons on our content so those who we interview can receive 60% of money or all given products for their causes to continue doing good.
- **Good News Reporter Job\$.** We have created a new initiative for those: Out of work, can't make  [Good News Jobs](#) ends meet, disabled, veterans, students, Nonprofits/NGO's, or starting a new business. To become part of this initiative please go to: [REDACTED].
- **Good News Foundation.** Over our 26 years in business as Milestone Broadcast Corporation (MBC) and the past 13 years as Good News Planet (GNP) has helped many students. Over 300 have been part of our Good News Foundation where we have taught understanding of communications and how to create media. Our 501 C 3 has helped raise funds for humanitarian work; we were one of the first to create an event with Salvation Army for Katrina victims. We can use your help and should you like to make a tax deductible donations please go to: [REDACTED].
- **Green screen studio.** Our landlord, and incubator of many businesses, many associated with TED, Clinton Initiative and Davos, Al Attara, at 33 Flatbush Ave. in Brooklyn, NY will build a new studio facility in our building that we will use. We already have a recycled energy efficient Green Screen studio; our additional studio will be larger with street access. So audience shows will be happening. LIVE Show Business in Brooklyn!
 - **Our team has worked very hard over the years.** Paul, founder of Good News wants to thank each and every one of the team who has helped us. They are the reason Good News is still alive! We also share the many positive comments about Good News with our team.
- **Programming.** We have been fanatical over the years with accepting and creating content from people; as your Good News is our Good News and we honor it, respect it and we never say no if it meets our mission. With so many shows and minimal staff and funds we have not been able to put all of the shows up, as well as thousands from the early days that were on our previous website that we want to put up. We want you to know that every show that we have been involved with will go on Good News Planet and apologize if we didn't get it on as of yet. We are doing over 20 news shows a week, with at least 30-40% being science and health,
