It was good to meet with you again on Wednesday. As we agreed at the end of that meeting we have set out in a short paper (attached) our proposals for how the revised structure might be achieved and the new agreements that would be required to make it happen.

Whilst Informa group management are supportive of the proposed restructure this is obviously subject to detailed accounting, tax and legal review. We would welcome your comments on the outline proposal and hope that we can work together to make this happen as swiftly as possible so that we can then focus on making this project a success for all parties.

Kind regards

Andy
