Subject: My blood work

Date: Wed, 25 Jan 2012 21:53:28 +0000

>
> I wanted to share with you that I just got my blood work results
> back (I get it taken about every 6 months and last took it in
> August) and my doctor said, "it can't get any better than this".
> This is after only one month on [REDACTED] He wanted to know what I
> was doing. He said I am the poster child for someone who will never
> have diabetes. He said my insulin levels were half what they used to
> be with my glucose levels the same which means my "body is more
> efficiently dealing with sugar". About 2 weeks ago, I began cutting
> my hormone supplements in half (just feeling that I didn't need as
> much) and he told me that was perfect and that I can stop taking one
> of them and can reduce even more the other 2. He said that in the 2
> years that he has been seeing me, these are the best results of all!
> Happy Wednesday, [REDACTED]
