Good Morning

Still working on the logistics of install

Please Note:

Palms near pool and some on the hill will need to be removed to allow access to site.

Would advise if you do proceed, that we wait until after Hurricane season.

Brice,

Hello. I have attached two proposals and some pictures to go with them. I also attached pictures of our Canary Island Date palms and Male Medjool palms. The Male Medjools have a much fatter trunk. If you would like me to price out either the canary or the male medjools just let me know.

I also attached a picture of the 15 gallon seagrapes.

If you would like me to come over. We charge \$1,000/day plus all travel expenses. We should be able to get these all installed in 2-3 days.

Please send me the pictures of the elevation so I can see that as well.

If you have any questions please let me know.

Thanks.
