GOOD NEWS LETTER:

Thank you for believing in our company for all of our 27 years. Just as you believed in us, we have believed in you and are so proud to share your Good News. Here are some new opportunities for you with our company, Milestone Broadcast Corporation, including our award winning website, [REDACTED]

- **Multi-Cultural, Niche Marketing and Advertising:** We were founded in 1985 as a full service multi-cultural, niche marketing and advertising agency. The Chinese were the first community to ask us to help them. We are announcing that we again will offer our services to market your products and services to the Asian, African, European, Hispanic/Latin, Middle Eastern and other niche communities in America and Worldwide. Over the years we helped clients reach these communities such as: Citibank, Delta and United Airlines, Sprint, US Postal Service, Western Union and leading ad agencies, JWT, Y&R, Saatchi, BBDO... Clients created special products that we helped them market; Lunar New Year Stamp, new international flight routes, special phone promotions and more. We were the company who create many "firsts" within the multi-cultural communities. We are happy to share what we have done and what we can do for you. WE KNOW HOW TO BUILD AWARENESS AND BUSINESS WORLDWIDE; WE HAVE REPRESENTED THE OWNERS OF THE MEDIA & SPECIAL EVENTS AND THE COMMUNITIES THEMSELVES.
- **New TV Studio:** We are proud to announce that at our New York headquarters we are building a larger TV Studio that has street audience access. This allows us to have more space for our marketing/sales, and our growing production staff. We are looking for new marketing/sales staff, should you know someone.
- **UN International Peace Day - September 21, 2012.** Please save this date as we are creating a world-wide WEB TV/RADIO broadcast with world renowned entertainers, speakers and an array of participants throughout the world. Our event is to honor this day created by the UN. Our dream is to "PAUSE THE WORLD" at 12 noon and 6 PM EST and that the people of the world will join in. Soon we will announce some of the wonderful people already behind "PAUSE THE WORLD". WE NEED YOU to make this a success, so if you are interested in being involved, please email us at [REDACTED], subject PAUSE THE WORLD.

Thanks. Good News Team.
