david , as ive said it is a long life. many deals to be done. the last thing you need is to be seen as a rug merchant. . if thre is a problem , put it on the table. . we never got a valuation or provenance to the sculptures each week was another story. and then dropped at my request . as these pieces carried an emotional tie to you. . ex not sure why you think dropping the price in the hamptons in dec by 100k is meaningful. . it is silly. super silly . - . i have not kept up on the progress on 82 nd street. but my notes say constructions to be COMPLETED by march 17 . . its you so i did not have richard all over you. . I still have no idea where we stand , and paying me back by putting up a high price preferred merely eats into my eventaully getting my equity back. strange.
