I will not be relying on Karyna to see whether you need help, I will be asking you from now on. I ask all the time when you are coming if I can help. when there are dinners and when she is doing stuff for plane, buying stuff after hurricane, and she always says no. I try ask whoever is managing your life so as not to disturb you. I feel for you that you have a million people asking you separate little questions. And I would also like to be in palm beach with you helping but I respect that you would choose who you want and I keep quiet and don't push.

Dear Jeffrey, Want to check firstly if it is still ok with you that I travel as I am looking after cats for now but apparently [REDACTED] will also help (I know that ultimately it is for you that I do it because it's better you are not around them, they cause itches) and, if so, if I can get a note from jSc. School says that it just needs to state that I am employed by them and leaving for vacation and coming back into the country to continue work. It may not be looked at but they say it's one of the documents I should travel with.
