Hi, hope you're well, not sure if you know anybody looking for a plane but have seen a lot of activity/deals in aircraft space – BAML is one biggest players (loan/leasing) and always has inventory of planes of all types - if you have anybody that wants to have private conversation with our team (they are very good) [REDACTED] happy to facilitate.

I have attached our full list of off-lease aircraft for your review, as you will note we have a G5 MSN 615 for sale with a ask price of "Make Offer." I have attached the spec sheet and [REDACTED] John Prock from our Asset Management team who looks after that aircraft and we would be happy to jump on a call and run through this aircraft with you at your convenience.

Best regards,
