Importance: Normal

He told me he was going to come to the hanger to pick it up at 1130am tomorrow. He sounded desperate., I told him I didn't have that kind of money and needed to make some calls.

When he called me, the first word out of his mouth where, "I need you to loan me 3k tomorrow". I thought he was joking.

Should I contact him and request the email as you mentioned? Otherwise, he's going to be at the hanger looking for me. Its crazy.
