How are YOU doing?
I'm sure you are having fun and learning
Life goes by quickly
Think of you often and know it's been hard

It keeps me very very busy - i take call every day. It's challenging too both from the perspective of skill development and also whole new field combining everything I know how to do and more.

It's exhausting but in many ways a much better use of my time than some of the other things that were on offer.

Finished my rockefeller report - basic science for non scientists and maybe some cool ways and things that they can do.

Spent a long time trying to bring great ideas to life (yes, for poor people) at Gates and then Bank. Got harassed for being good at my job and also female.

Not sure there's another space for me.

24/7 in the operating room is safe
And also very very legitimate.
