I tried last night and this morning, .. have a good trip. / hope you enjoy la. .. as for my concern 1. I beleive I have behaved more than perfectly . Respectful, sensitve etc. PAris the island. all the time extra careful,, and then after waiting for weeks to see you again,, it only took one conversation that you clearly misheard to receive a " I can't beleive it Jeffrey you were doing so well " ./ not as we agreed,, JEffrey you should be aware that that conversation made me uncoomfortable. . I would have explained to you that you obvioulsy did not hear what was said , and i told you the story , that he enjoys telling , letting him know that you can be trusted and are a close friend. His reaction as I said was , what got into her? . I understand your fragility, though you spent sevenyars with imad , you spent the first twenty with your mother. I have encourage you to embrace the experieive as you rightly point out, however, if it is part of each and evvery conversation it will be difficult for you to move on. with your lifel .. Hope to see you when you get back
