Flight Options on Hawker 400 is 13,963.89 for Sunday flight from PBI to STT. You are correct that there is no dead head / ferry fee to bring aircraft back to states.

I am in the process of obtaining pricing to purchase more JETPASS time as our funds are now below \$1000 after the last two flights and Flight Options recognition of their billing errors.

Subject: Flight Options Trip Estimate

Good Afternoon,

Below is the trip estimate for the flight we discussed while on the phone. To Travel from Palm Beach International to St. Thomas it would be - \$13,963.89. I am told that this is within our extended service area so there would be no ferry fee to bring the aircraft back stateside. Please let us know if we can be of any other assistance. Have a great day!
