Jeffery,

Ian is amazing. He was with me yesterday afternoon and part of last night. He promised to send me a plan for our actions over the next four weeks. Thank you for this instant help.

His office in NY will do the necessary work for former president's upcoming visit to NY and advice me with the rest. I also requested that he help identify a young person who could come here and stay here to assist me in some the international communication stuff.

Can't thank you enough. We are hoping you will be able to visit us soon.  
Warm regards,  
Waheed.
