Dear Richard,

Please confirm our discussions that Steptoe & Johnson will be handling all of Noam's claims against Bainco. At this time I am aware of claims that Noam has with respect to the purchase of improper investments in his IRA, and he has potential additional claims as well.

Thank you,
Deborah

deborah, noam, Isabel.

Isabel - to confirm today's conversation, you stated that the Chomsky portfolios had done very well since 08. That only one private partnership that was an investment of 100k was now worth 10k, but was still not dead. You stated a number of times that the spending had gone up dramatically, but when asked for the actual numbers, you said that the IRA had distributed 700k and the marital trust 265, . When asked for details you said that in the past week 180k was distributed and had made an error. You stated that there were some legal and accounting fees paid earlier in the year, but before you shared that with me you wanted Noam's and Valeria's consent. You stated that there were only two private partnerships and the other one had done remarkably well. I am waiting on all the details. Thanks in advance.

Dear Noam,

We hope you and Valeria are well. As we approach the end of 2017, we are writing to clarify our understanding of your relationship with Bainco at this time.

Outlined below are the accounts you have at Bainco and our understanding of our continuing services for you, pending any near term decisions that you may make regarding your account. We very much would appreciate further clarification by the end of the year so we can continue to provide our best advice regarding your assets and our best judgment to maximize benefits to you and your family.

- Noam Chomsky IRA and Inherited IRAs: You have instructed us to take no action with respect to these accounts and, consequently, we have refunded the 4Q17 management fee. We will continue to provide quarterly reports as in the past.
- Noam Chomsky Revocable Trust and Gull Haven Lane: We are not actively managing these accounts and are not charging a management fee. We will continue to provide quarterly reports as in the past.
- Carol Chomsky Exempt and Non-Exempt Marital Trusts: We are continuing to manage the assets in these accounts and will continue to bill our annual management fee on a quarterly basis as in the past (1% for Non-Exempt and 1.25% for Exempt Marital Trusts).

Please let us know at your earliest convenience if our understanding is incorrect on any of these accounts or if we should anticipate changes to custodian or asset manager.

Regards,

Isabel and Sam
