Had to ask Brice to bring down roadway by the side of the pond. A soon as I get the survey from Ryan which I should get this week, adn Brice gets that roadway brought down so pond can get storm wash over and we can get pictures we'll be able to get everything in to resolve issue. Since we are in the process of doing this they are letting me keep your cable in WAPA application.

Who do you want to sign the application to approve LSJ dock as it is?
