Well I came here in 1999 and financed noahmodels.com by having him scout 200 models at 3600\$ a model for perfect 10 magazine. I was getting \$7000 a shoot. I went on to shoot 500 more models scouted by me all over russia so I have a network and team here for many years. I got the prices down to like \$1200 a model for topless photos. I spoke to jeff epstein last summer about setting up something here last year and he was interested. Tigran and I had dinner two nights ago and he is still my friend but it was cheaper for me to branch out. I brought Tanya d and 12 of his models to meet jeff last summer but he didn't come to Ibiza. Jeff doesn't like tigran because of Anna Deidenko. Anyways I have a ton of wow girls let's make some \$? Cliff
