Jeffrey,

Here the office i like very much, today i visited it, its next to Arc de Triumph, 98m2, the price 4400 with all charges per a month. I visited 10 offices for last 3 days, its very good price.
Available in a month? i want the owner to change the painting,change the carpet and the entrance door and it will be perfect ;))
Let me know what do you think?
Best regards,
