Thank you for the email. Perhaps we can grab a coffee or drink tomorrow or over the weekend to discuss in person. What times might work best for you? Look forward to finally meeting.

Warmest regards,
Josh

Hi
I have got your email and told you that I was coming back to NY tomorrow. I guess this is a invoice from our previous agreement. If there is any new things happening at the moment, I am not aware of it. I will ask accounting to suspend any billing from now on until further notification from you or the model.
Warm regards
Jean luc

Dear Jean Luc,

I am not sure if you received the email I sent on Tuesday. By chance yesterday I received an invoice from MC2 in the mail. I would love to clarify a point or two with you as I do not believe I have a full understanding of things at the moment. I am more than happy to pay this invoice if our agreement still stands and there is no issue from my side if that is the case. Thank you in advance for your time and look forward to meeting and speaking soon.

Warmest regards,
Josh

Dear Jean Luc,

I hope this email finds you well. I would love to grab a bite or a drink if you are through nyc in the next week. Alternatively, are you available for a quick phone call tomorrow? Thank you very much.

Warmest regards,
