This is a very, very valid issue. Seems like this should have been explored earlier in the planning process. I reached out to John Suydam this morn and will be meeting to talk through the subject sometime in the next day or two. Thanks.

i think you should also check the gaming commission reports to see if there is any mention of a transfer of leons interest. his children clearly should have had a disclosable financial interest if the transfer had been properly done.. I fear that govt , and commission filings will back up the irs likely view that no transfer actually took place previously, uh oh.
