Dear Friends,

Just a reminder that our ad deadline is approaching.

Once again I am Gala chairman organizing the 2012 annual fund raiser for the St. Thomas. Historical Trust Halloween Gala party. I and other members of the trust are working very hard to Get Hassel Island open as a National Park staffed with rangers and offering guided excursions for school children locals, hotel guests and cruise passengers. It will be a wonderful attraction 5 minutes away from the historic district. Please support the Trust again and buy an ad in our gala booklet or a ticket for the dinner event event at Oceana. A page in the booklet is only \$375 dollars! I have attached the ad contract form and dinner ticket sales information.

This is a our most important fund raising event. Proceeds support all the great projects that the Trust is involved with like Hassel Island, Step Streets, and the long awaited restoration of Fort Christian.

Your support is appreciated!

Warm Regards,

Filippo
