Can't thank you enough. Things really seem to be working. Deborah, Harry, and Max have been in phone contact. Should I send the notes on to you?

I had a confenrece call with deborah, agreed this morning we added max and deborah was pretty tough on him. finally, telling him there was no authority for him asking detailed financila questions. he responded that his other trust partners agreed with him but conceded there was little legal authority. He has told harry they had the right to see your financial life before doing anything. deborah poitned out that poisoning harrys view was counter productivve and she was going to call harry herself to tell him that max position was not based on any legal trust grounds under mass law . i lit a fire under her meshuganher ass.
