**Subject:** Name Change for Financial Infomatics

Good morning Jeffrey,

Darren and Erika mentioned that you want to change the name of Financial Infomatics to New York Trust Company. I do not think this is a good name given the fact that we are trying to get benefits in the VI. I think that this new name will not be well received by the EDA.

It was also mentioned that you wanted to reduce the number of FIVI employees from 13 (not including CEO) to 5. Please confirm this and let us know which positions you want to be in the 5. The positions we listed in the RT Park application were as follows:

- CEO
- CSO
- COO
- CFE
- Bioinfomatic Analyst
- Data Base Manager
- Controller
- Quantatative Analyst
- 2 Technical Assistants
- 2 Accounting and Billing staff

2 Administrative Support staff

With warm regards,

Cecile
