Of course! I'll send it in next email. Are you able to do a call?

Goodness Lesley,

I'm so sorry. I've been underwater since I landed in LA yesterday. And I somehow managed to delete the program me email you sent me. I wanted to take a look at it now. Would you mind resending it?

Thank you!

Best,

Hi [REDACTED]. Thought i would try this email address for you in case it is better! Jeffrey is hoping he could set up a phone conversation with you today might you have some time? Not trying to be a pain, I'm sure you are super busy...just let me know if something would work tonight or possibly over next couple of days. Thanks, Lesley
