Jeffrey,
Again, I can't thank you enough for your help on this. I've attached your wire transfer information. We're hoping to get the next issue to the printers this week.

Thanks so very much.

John

Jeffrey,

I'm reaching out to our most influential and supportive readers to help us get the next issue of the Nautilus print edition out the door. We're trying to raise \$25,000 to cover the printing and shipping costs for Issue 22. Jeffrey, I think you know better than most both the appeal of what Nautilus brings to the world and the challenges surrounding the effort. We're making a lot of headway on a possible merger or acquisition but are obviously going through a few lean months. But the most important aspect to Nautilus' survival is to provide our loyal subscribers with their magazines. Which is why we're making this appeal. I do hope you can see your way clear to making an end of year, tax-deductible donation to the cause. You can contribute via [credit card](#) or check to the address below.

I appreciate your consideration and the time you've taken to help Nautilus.

All the best,
John
