yes, . thats why the family is spinning. . the alternative is for them to be bought by CS but it is too early
in cs cleaning to do so. . , no matter what JB has some good teams that pichtet will hold off robbing for a
year or so . so it is ripe for you to either approach, or my preference is a merger, tax efficient. . operations
synergized , 200 m savings. . and YOU personally as opposed to benj trusts to be compensated fully

I think the merger of you and JB with you in charge would be great. as i always thought , the family
is lost . they had no noncompete in place. as i knew
