If you need something, from me or anyone else-- first I suggest you ---ask for it. be specific. . be appreciative of what you have received so far, explain why you need it and how specificall it will be used, If it is a loan , explain how you will pay it back, if it is business investment, lay out a plan for profit. if it is a gift. say so. If you feel entitled, ask yourself , when the entitlement ends. ? the below is one of many emails that ask the same question / when Isuggest i don't want to do you harm,, you accuse me of lying . I walked with you on the beach in pb and asked that you not put me in the position of tough love . I said that for you and [REDACTED] , i would find it almost impossible. you feel abandoned. , hurt , angry, , I understand. you , getting physically and mentally healthy would make me happy. you had money in stocks. is that also gone? if you have a business idea, you should try to raise money for it. that will determine the lkelihood of sucess. IF you need travel money . tell me. I have time on monday.

to [REDACTED]

in your view of the world, can you tell me why you believe you are entitled to an apt, car money, flying school etc, is it because you have spent the past two years , doing what you can to make me happy, or is it because you beleive that you gave up something , and i should now give you something. THIS is silly,, you don't ask how i am feeling, if iam all right, is there anything you can do.. you ask if i have seen [REDACTED]. how long is [REDACTED] staying, , it is too late to stop [REDACTED] from coming to my house, [REDACTED] can't make peanut butter and jelly, [REDACTED] took my sox.
